

**INVITATION**  
**Gender-In Live Workshops**  
**Athens, 06 & 07 November 2023**

Gender-In invites researchers and academics who wish to develop their skills in the integration of the gender dimension in research to participate in live workshops Athens in November 2023. In the workshops, researchers will have the opportunity to discuss ways of identifying, analyzing and benefiting from the gender aspects of their research plans.

The workshops are held in **Athens (06-07 November 2023)**. Each session is dedicated to interdisciplinary research areas as outlined in the clusters of Horizon-Europe. Participants can apply for one or more sessions.

The live workshops build on the Gender-In webinar series [Integrating Gender in interdisciplinary research](#) but with a more participatory approach, including groupworks on how to include the gender dimension in the participants' research projects. The workshops are facilitated by [Trine Rogg Korsvik](#) from [Kilden genderresearch.no](#), in collaboration with ELEGYP (CV attached).

The workshops will take place **by order** at **IIBEAA** (Soranou Ephessiou 4 Street, Athens 115 27), **Agricultural University of Athens** (Iera Odos 75, Athens 118 55) and **Athens University of Economics and Business** (28th of October 76, Athens 104 34)

**Live Workshops Programme**

***Monday 06 November (10.00—13.00): Health***

The session addresses the relevance of the gender dimension in research topics in cluster [1 Health in Horizon Europe](#). This cluster aims to improving and protecting the health and well-being of citizens of all ages by generating new knowledge, developing innovative solutions and integrating where relevant a gender perspective to prevent, diagnose, monitor, treat and cure diseases. Further aims include developing health technologies, mitigating health risks, protecting populations and promoting good health and well-being in general and at work.

*Venue: IIBEAA (Soranou Ephessiou 4 Street, Athens 115 27)*

***Monday 06 November (15.00—18.00): Food, Bioeconomy, Natural Resources, Agriculture and Environment***

The session addresses the relevance of the gender dimension in research [Cluster 6 Food, Bioeconomy, Natural Resources, Agriculture and Environment](#). Cluster 6 aims at reducing environmental degradation and reversing the decline of biodiversity on land, inland waters and sea and better managing natural resources through transformative changes of the economy and society in both urban and rural areas.

*Venue: Agricultural University of Athens (Iera Odos 75, Athens 118 55)*

***Tuesday 07 November (15.00—18.00): Culture, Creativity and Inclusive society***

The session addresses the relevance of the gender dimension in cluster [2 Culture, Creativity and Inclusive society](#). Cluster 2 aims to strengthen European democratic values, including rule of law and fundamental rights, safeguarding our cultural heritage, and promoting socio-economic transformations that contribute to inclusion and growth.

Venue: **Athens University of Economics and Business** (28th of October 76, Athens 104 34)

**Application deadline: 01 November 2023**

The workshops are participatory and will be tailored for the participants. Applicants are thus required to send a letter of motivation in which they explain their expectations, what they want to learn more about and topics they would like to discuss (e.g. theories, concepts, methodologies...).

In the application, please specify the preferred session. Applicants must be familiar with the relevant topics of the Gender-In webinar series.

Registration Form: <https://elegyp.gr/el/gender-in-webinar-registration>

Participation is free of charge.

Certificates of attendance will be provided to participants.

**Preparation**

Once accepted, participants will receive a reading list with relevant literature. Participants will be asked to prepare a short (5 minutes) presentation of their research to share with the other participants. The presentation should include questions on how the gender dimension is relevant in their research.
