

Post-graduate Study Programmes Agricultural University of Athens (AUA)

Departmental Master's Degree Programmes (MSc)

1. MSc "Landscape Architecture" (Department of Crop Science).
2. MSc "Innovative Applications in Sustainable Agriculture, Plant Breeding and Agrometeorology" (Department of Crop Science).
3. MSc "Top Sectors and Innovative Applications in Production and Preservation of Fruit, Vegetable and Floricultural Species" (Department of Crop Science).
4. MSc "Integrated Plant Protection and Environmental Management Systems" (Department of Crop Science).
5. MSc "Plant-Rhizosphere-Soil: Integrated Crop Nutrition Management" (Department of Crop Science).
6. MSc "Ecology and Management of the Environment" (Department of Forestry and Natural Environment Management).
7. MSc "Systems Biology" (Department of Biotechnology).
8. MSc "Food Science and Technology" (Department of Food Science and Human Nutrition).
9. MSc "Current Food Technology: I) Dairy Science & Technology, II) Oenology" (Department of Food Science and Human Nutrition).
10. MSc "Food, Nutrition and Health" (Department of Food Science and Human Nutrition).
11. MSc "Natural Resources, Geoenvironment, Geoinformatics and Agricultural Engineering" (Department of Natural Resources Development & Agricultural Engineering).
12. MSc Foreign Language "Digital Technologies and Smart Infrastructure in Agriculture" (Department of Natural Resources Development & Agricultural Engineering).

Interdepartmental Master's Degree Programs (IMSc)

1. IMSc "Integrated Production Management of Milk and Dairy Products" (Department of Food Science and Human Nutrition & Department of Animal Science).
2. IMSc "MSc in Farm Business Management and Consulting in Rural Development" (Department of Agricultural Economics and Rural Development & Department of Animal Science).
3. IMSc "MBA Food & Agribusiness" (Department of Agricultural Economics and Rural Development & Department of Food Science and Human Nutrition).

Inter-Institutional Master's Degree Programs (II-MSc)

1. II-MSc "Cultivations under cover-Hydroponics" (Department of Crop Science AUA & Hellenic Open University).
2. II-MSc "Viticulture-Oenology and Alcoholic Beverages" (Department of Crop Science AUA & Department of Chemistry of the National and Kapodistrian University of Athens).
3. II-MSc "Organic Synthesis and Applications in the Chemical Industry" (Department of Food Science and Human Nutrition AUA & Department of Chemistry of the National and Kapodistrian University of Athens).
4. II-MSc "Techno-economic Systems Management" (Department of Agribusiness and Supply Chain Management AUA & Department of Business Administration of the National and Kapodistrian University of Athens).
5. Joint International Inter-Institutional MSc "Marine Biotechnology", Erasmus Mundus (Department of Biotechnology & Department of Animal Science AUA in the framework of the European University EU CONEXUS).
